Re: **NEW FOREIGN FILING BASED ON USSN 08/073,539**
PM 1704 - SEMICONDUCTOR ELECTRICAL HEATER
AND METHOD FOR MAKING SAME

Dear Nick:

Please prepare the enclosed Specification, Assignment, Declaration/Power, and formal drawings for filing in Japan, Korea, Malaysia, Mexico, Taiwan and the EPO designating all countries. The convention deadline is June 8, 1994.

Charles Glenn is handling the U.S. prosecution of this case.

I am also sending to you the Information Disclosure Statement filed in connection with this case. On April 21, 1994, there was a restriction requirement from the Examiner. Charles verbally elected Group I, claims 1-53 on a three way restriction without traverse, Group II was listed as claims 54-80; and Group III as claims 81-85. We have not yet received anything from the Patent & Trademark Office regarding this.

Thank you for your attention to this matter.

Sincerely,

Dee Shannonhouse
